Steelex 16-Piece Forstner Bit Set

This Forstner Bit Set is the standard in many cabinet and woodworking shops. The wide variety of sizes means always the right bit ready and waiting. The larger bits from 1-1/8" to 2-1/8" are saw-toothed style. The 16-pc. Forstner set comes in an attractive case and includes 1/4", 3/8", 1/2", 5/8", 3/4", 7/8", 1", 1 1/8", 1 1/4", 1 3/8", 1 1/2", 1 5/8", 1 3/4", 1 7/8", 2", 2 1/8" diameter sizes. Each bit is approximately 3 1/2" long.

D1030 16-Pc. Set in Wooden Box

Steelex Large Saw-Toothed Forstner Bits

These larger bits are production tools designed for use on a drill press. Large saw-toothed Forstner bits have a 1/2" shank and measure 6 1/4" long. Each bit comes in an individual wooden box.
